Dear Sir or Madame:

This letter concerns your pending request for authority to remain silent. Temporary authority is hereby granted for the above-referenced station to remain silent for three months from the date of this letter.

On December 11, 1991, the Commission adopted a Report and Order (copy attached) which amended Part 1 of the Commission's Rules, to implement Section 5301 of the Anti Drug Abuse Act of 1988. Pursuant to the Report and Order, any requests for extension of this authority must be accompanied by a certification that neither the applicant nor any party to the request is subject to a denial of Federal benefits under Section 5301. Please use the attached certification page to comply with this requirement.

Any further requests for extension of this authority must be accompanied by a detailed summary of steps taken to return the station to on-air operations. It will be necessary to maintain prescribed tower lighting in accordance with the stations license authorization. If an extension is not required, you are requested to notify the Commission, in writing, of the exact date the station resumes on-air operations.

In the event that any AM station remains silent for a period over 6 months, it will be necessary to file with the Commission, prior to returning the station to on-air operations, an FCC Form 302 for direct measurement of power which should include a partial proof of performance for stations with directional antennas.

Sincerely,

James R. Burtle
Chief, AM Branch
Audio Services Division
Mass Media Bureau
